

# Technology and the World - Networking Events

**Sussex Enterprise working with the British Chambers of Commerce bring you two networking events that will not cost you a penny to attend!**

## Our Networking Events

1276 members tell us that they value networking above all the other great benefits they receive. Get a taste of our networking and savour the flavour of success.

Working with our parent body the British Chambers of Commerce, allows us to deliver more of what you want, networking and opportunities. So if you're looking for high value sales, a wider choice of suppliers or, perhaps you just want to see what the competition is up to, come along.

## You Get More From Our Events

We've been running successful networking groups for many years, and we listen out for the issues that are important to your business. Our approach is no nonsense; we deliver topical and useful content to help you run your business smoothly.

### Global Networking - 9th June

Businesses who trade internationally have better growth prospects and are more resilient to changes in the local economy. Doing business internationally is a lot easier with good advice and the support that we and our partners provide. Please join us at the Brighton Hilton on Tuesday the 9th of June from 11:30am until 2:30pm for a lunch and seminar hosted in association with the international trade experts.

This is a unique chance to keep up to date with international trade developments and ensure that your business is in the best possible place to capitalise on new and emerging business markets.

### Switch on to Brighter IT & Communications - 23rd June

There is nothing more frustrating than when your company's IT and Communications capabilities hold back your business. To help ensure that your business is a shining light we would like to invite you to 'Making IT & Communications Work for You', presented by BT Business. This event will help you understand the business benefits of the latest technologies, and how you can use them to best advantage. It is likely that there are a whole host of emerging technologies that can offer a real boost to your business, and we have the experts on hand to give you the lowdown and details on how you can take advantage. This free networking event will be hosted from 7:30am until 10:30am in central Brighton.

To book your place free place to these events please call **01444 259 149**
